Department of County Engineer

By R. M. SingletonDist. # 10 Phone ED 9-6281 Date 7-9-63TO BE FILLED OUT BY
ROAD DEPARTMENT

POOL DRAINAGE INTO STREET

THIS IS NOT A PERMIT but is to certify that because of the non-availability of a sanitary sewer connection the Los Angeles County Road Department will issue a permit to empty the swimming pool listed below into the street gutter at times satisfactory to the Department.

No permission will be granted to discharge swimming pool filter drainage or backwash to the street nor will any permit be issued for pool emptying when the property is connected to a sanitary sewer of adequate capacity.

Lyle Brunson
Utilities Engineer
